NOTICE OF HEARING WITH RESPECT TO A PROPOSED MARKETING AGREEMENT AND A PROPOSED ORDER REGULATING THE HANDLING OF MILK IN THE DUBUQUE, IOWA, MARKETING AREA.

Whereas under the Agricultural Adjustment Act, as amended, notice of hearing is required in connection with a proposed marketing agreement or a proposed order, and the General Regulations, Series A, No. 1, as amended, of the Agricultural Adjustment Administration, United States Department of Agriculture, provide for such notice; and

Whereas the Secretary of Agriculture has reason to believe that the execution of a marketing agreement and the issuance of an order will tend to effectuate the declared policy of Title I of the Agricultural Adjustment Act, as amended, with respect to the handling of milk in the Dubuque, Iowa, Marketing Area;

Now, therefore, pursuant to the said act and said general regulations, notice is hereby given of a hearing to be held on a proposed marketing agreement and a proposed order, regulating the handling of milk in the Dubuque, Iowa, Marketing Area, in the north court room, Dubuque County Court House, Dubuque, Iowa, on July 2, 1936, at 9:30 a. m.

This public hearing is for the purpose of receiving evidence as to the general economic conditions which may necessitate regulation in order to effectuate the declared policy of the act and as to the specific provisions which a marketing agreement and order should contain.

Among other things, the proposed marketing agreement and order provide for: (a) selection of a market administrator; (b) classification of milk; (c) minimum prices; (d) payments to producers through the use of individual handler pools; (e) reports of handlers; (f) expense of administration.

Copies of the proposed marketing agreement and proposed order may be inspected in or procured from the office of the Hearing Clerk, Room 4725, South Building, United States Department of Agriculture, Washington, D. C.

Alaska Game Commission.

REGULATIONS OF THE ALASKA GAME COMMISSION RELATING TO GUIDES, POISONS, AND RESIDENT TRAPPING LICENSES

By virtue of the authority conferred upon the Alaska Game Commission by the act of January 13, 1925 (43 Stat. 739; U. S. Code, title 48, secs. 192-211; as amended by the act of February 14, 1931, 46 Stat. 1111; U. S. Code, Supp. title 48, secs. 192-207), entitled "An act to establish an Alaska Game Commission to protect game animals, land fur-bearing animals, and birds in Alaska, and for other purposes", the following regulations for the protection of game animals, land fur-bearing animals, and birds in Alaska are made and published, to take effect July 1, 1936:

REGULATION A. EMPLOYMENT OF GUIDES BY NONRESIDENTS HUNTING IN ALASKA

No nonresident of the Territory shall take game animals in Alaska except in fur district 8 unless accompanied by a registered guide duly licensed by the Commission, except that nonresident Federal officials engaged in investigations in Alaska upon securing a special permit from the Commission shall not be required to employ licensed guides when hunting game animals: *Provided*, That no registered guide shall accompany more than one nonresident hunter in the field, except that he may accompany a nonresident man and/or wife and/or minor child when such additional persons are duly licensed.

No nonresident shall pursue or disturb a large brown or grizzly bear for the purpose of photographing such animal unless accompanied by a registered guide.

REGULATION B. QUALIFICATIONS OF GUIDES

Only a resident citizen or a resident native Indian or Eskimo who is the holder of a valid registered guide license shall act as guide for a nonresident hunter of game animals in Alaska. Any person desiring to be registered with the Commission and granted a guide license for guiding nonresident hunters shall file with the Commission an application on a form issued by the Commission, which shall be subscribed and sworn to by the applicant before a person authorized to administer oaths. Such application shall state appli-

cant's citizenship and resident status, his permanent address, and the regions in which he desires to guide nonresident hunters. Each applicant for a registered guide license shall have been a resident of Alaska for 5 years immediately preceding his making application for such license and shall be required to undergo a written and oral examination given by a member of the Commission or by such person as the Commission may designate, to determine his qualifications to guide, and his knowledge of the Alaska game law and regulations.

If, in the opinion of the Commission, an applicant for guide license does not possess sufficient field experience, but meets all other requirements of the regulations, an assistant guide license may be issued to the said applicant limiting his guiding privileges until such time, as the Commission is satisfied that he is qualified for a regular guide license.

No registered guide license shall be issued unless the applications therefor shall have been approved by the Alaska Game Commission at a regular or special meeting: *Provided*, That in cases of emergency the executive officer may, after due investigation and being satisfied of the applicant's qualifications, issue a special guide license upon an application properly completed and accompanied by the required fee, authorizing the licensee to guide certain specified nonresident hunters, who shall be named in the application for such license: *Provided further*, That the extension of guiding privileges authorized by such licenses or the renewal thereof shall be made only upon compliance with the requirements first above stated.

A registered guide license must bear the signature of the chairman of the Commission and be countersigned by one other member of the Commission. Each license shall expire on June 30 next succeeding its issuance, shall be revocable at the discretion of the Commission, and shall not be transferable.

Each licensed guide shall submit to the Commission immediately upon completion of a hunting trip, a report containing the name and address of each nonresident in each hunting party for which he acted as guide, the period covered by his services rendered each hunting party during the open season, the number and species of animals taken by each nonresident guided by him, the number and species of animals wounded but not secured by each nonresident hunter guided by him, and the numbers and localities of each species of big game animal observed by him and members of the hunting party, and such other information as the Commission may require.

REGULATION C. USE OF POISON

No hunter or trapper, including native Indians or Eskimos, shall have in possession any poison compounds of strychnine, arsenic, phosphorus, antimony, barium, the cyanides, corrosive sublimate, or any other poison capable of being used for killing fur-bearing or game animals. Possession shall include presence of such poisons in camps, cabins, buildings, or boats occupied by hunters, trappers, native Indians, or Eskimos.

REGULATION D. RESIDENT TRAPPING AND/OR HUNTING LICENSES

After July 1, 1936, no resident of Alaska over sixteen years of age, except a native-born Indian, Eskimo, or half-breed, who has not severed his tribal relations by adopting a civilized mode of living or by exercising the right of franchise, shall take or attempt to take land fur-bearing animals in Alaska without first having obtained a resident trapping license.

After July 1, 1936, no resident of Alaska over sixteen years of age, except a native-born Indian, Eskimo, or half-breed, who has not severed his tribal relations by adopting a civilized mode of living or by exercising the right of franchise, shall take or attempt to take animals (other than fur-bearing animals) or birds included in the terms of the Alaska game law, without first having obtained a resident

hunting license: *Provided*, That a person who is the holder of a resident trapping license shall be entitled to the privilege of hunting without a hunting license.

On and after July 1, 1936, all former regulations of the Alaska Game Commission relating to guides, poisons, and resident hunting and trapping licenses shall be and are hereby, revoked.

IN TESTIMONY WHEREOF we have hereunto set our hands and caused the official seal of the commission to be affixed in the city of Juneau, Territory of Alaska, this 14th day of December 1935.

INTERSTATE COMMERCE COMMISSION.

NOTICE

CREDENTIALS OF FIELD REPRESENTATIVES

JUNE 12, 1936.

To all Motor Carriers:

Information has come to the Commission from various parts of the country to the effect that certain persons who have no connection of any kind with this Commission have falsely represented themselves to be agents of the Bureau of Motor Carriers of the Commission, and, in such guise, have sought to impose in various ways upon motor carriers and others.

Representatives of the Interstate Commerce Commission who are authorized to make field investigations carry with them credentials which bear the signature of George B. McGinty, Secretary of the Commission, and are impressed with the Commission seal. Such representatives will show their credentials upon request.

All motor carriers and other persons who are approached by anyone who represents himself to be a representative of the Bureau of Motor Carriers should request a display of credentials, and, if they are not forthcoming, should communicate at once with this Commission, setting forth all known facts concerning the identity of such person and the surrounding circumstances.

Representatives of the Commission are now, and will continue to be, in the field investigating complaints of violations of the Motor Carrier Act, 1935. The Commission requests that they be extended all possible cooperation and consideration and that they be given all information which they are authorized to obtain under the Act. However, the Commission is anxious to protect carriers and others from imposition and fraud, and will use every proper effort to apprehend and prosecute impostors. Your assistance in this matter will be greatly appreciated.
